Maximizing Your Trade Show Investment!

Add some  
**MAGIC**  
to your Trade Show Booth!

"One of the more creative ways we have ever presented any of our brands' Positioning and Promotion."

- The Minute Maid Company

## Looking for a way to Stand Out at your next Trade Show?

Of course! **Leap** away from the competition by adding a live, interactive magical theme to your exhibit. Curt Miller draws crowds into your booth, **ENTERTAINING** them with a dynamic sleight-of-hand presentation while simultaneously **INFORMING** them with your message!

- **DRAW THEM IN** - People crowd around your exhibit to see amazing sleight-of-hand and comedy routines being performed close-up. No one can resist a good magician! The more people stop, the more others will gather to see what all the fuss is about!
- **DAZZLE THEM** - Cards and coins appear and disappear right in their hands! Borrowed \$20 bills change to \$100 bills! Watches vanish right off their wrists! Magic Island calls Curt "One of the best Sleight-Of-Hand Artists in the country!"
- **INFORM THEM** - Curt cleverly integrates your sales message into each magic routine to educate attendees about your products and services while entertaining them. Careful communication with you prior to the event ensures that your message is heard and your trade show goals are maximized!

"You made our trade show investment pay off! We generated at least 50% more leads thanks to your involvement." - Skybox International

***"Curt goes to no limits to learn your company's products and theme and incorporate the information into his performance. His magical entertainment catches the attention of the crowd, as he showcases your company and products. I cannot express how satisfied we were with his entertainment at our event. His performance indeed enhanced our showing. It is truly a pleasure to have an entertainer as professional as Curt Miller!"***
