## Stage Magic Shows

Great Entertainment that Gets your Whole Group Involved!

### "SHOW A" (The BIG Show!)

If you want to really "WOW" your group, this is the show for you! Curt Miller performs an exciting and highly entertaining hour of magic, clean comedy, and large-scale illusions, including levitating someone from your audience and making your CEO or other executive vanish into thin air! Curt brings the "Las Vegas" experience to your event with a show your group will talk about for years!

#### HIGHLIGHTS INCLUDE:

**YOUR VIP VANISHES** - Your CEO or other VIP announces that he's going to disappear ("by popular demand!"). Curt's lovely assistant wraps him in a shimmering cloth...and he vanishes!

**THE LEVITATION** - Curt invites a woman up from the audience and actually levitates her above the stage, passing a hoop completely over her suspended body! This will astound even the most astute engineers in your audience.

**THE DREAM BOX** - Audience members try to guess details of Curt's dream. Their responses are proven to perfectly match Curt's predictions locked in a box suspended high above the stage.

**YOUR VIP REAPPEARS** - Curt makes your VIP magically reappear at the end of the show to the delight of your crowd! Your VIP can then deliver closing remarks to cap off a great evening!

#### SHOW A Specifications

- Approximately One-Hour in Length
- FOUR Large-Scale Illusions
- Great, Clean Comedy-Magic Routines
- Audience Participation (Everyone's a hero)
- Corporate & Family Friendly
- Beautiful Stage Backdrop
- Automated Digital Music System
- Bose P.A. System

#### SHOW A Requirements (preferred)

- Two 12x16 risers preferred for maximum visibility. Other arrangements are possible. Curt will work with your event coordinator to best set up the room for your particular event.
- For visibility, audience must be in front of Curt (not directly to the sides or behind)
- Venue should be available at least 3 hours prior to showtime for set-up and a short rehearsal with your CEO or other executive
- That's it!

*The comments from customers and employees have all been so positive, I do not know why we didn't have you sooner!"*

## Stage Magic Shows

Great Entertainment that Gets your Whole Group Involved!

### "SHOW B" (The MEDIUM Show!)

Just slightly smaller and shorter in length, SHOW B packs all of the Las Vegas excitement of SHOW A without the disappearance/reappearance of your executive.

#### SHOW B Specifications

- Approximately 55 Minutes in Length
- TWO Large-Scale Illusions
- Great, Clean Comedy-Magic Routines
- Audience Participation (Everyone's a hero)
- Beautiful Stage Backdrop
- Automated Digital Music System
- Bose P.A. System

#### SHOW B Requirements (preferred)

- Two 12x16 risers preferred for maximum visibility.
- For visibility, audience must be in front of Curt (not directly to the sides or behind)
- Venue should be available at least 3 hours prior to showtime for set-up.

### "SHOW C" (The SMALL Show!)

This is Curt's most popular (and affordable) show, perfect for small to medium size audiences. If you'd like great entertainment but don't need the larger Las Vegas-style illusions of Shows A and B, this show is perfect for your event! Packs small, but plays big with plenty of great magic, clean comedy and audience interaction that is ALWAYS a hit with both corporate and private groups!

Curt's show will appeal to EVERYONE in your group: all ages, all nationalities. It's amazing, intelligent, fast-paced and fun. Newspapers are shredded and instantly restored. Things appear and disappear. It looks like real magic, but of course it's all sleight-of-hand perfected over thousands of performances. What REALLY makes this show special is Curt's unique ability to combine side-splitting CLEAN comedy with amazing magic routines and audience interaction to create a fun event that is ALWAYS a hit with groups just like yours. **EVERY show is a GREAT Show!**

### "WALK-AROUND MAGIC"

Perfect for events where your people are mingling and socializing. You'll hear plenty of "Oohs" and "Ahhs," laughter and applause as Curt Miller mingles throughout your group, entertaining and amazing with close-up sleight-of-hand performed right before their eyes! Walk-Around Magic is a terrific ice-breaker. It's also great for the cocktail hour before dinner to "warm-up" the crowd for a Stand-Up Magic Show after dinner!
